

## Pantone® Matching System - PMS - Color Guide

The Pantone® Matching System is the industry standard color matching system. The color formula guide provides an accurate method for selecting, specifying, broadcasting, and matching colors through any medium around the world. It is the ideal way to ensure true colors when you select your imprint. This color chart below may vary slightly depending on monitors, but offers a rough way to narrow colors.

If absolute true colors are necessary, a Pantone® Color Formula Book is recommended. If you need additional help using this color chart, feel free to contact our sales professionals at 678.817.0646 . PANTONE® and other Pantone, Inc. trademarks are the property of Pantone, Inc.
